CARDINAL O'HARA HIGH SCHOOL
SPRINGFIELD, PENNSYLVANIA

THE FIRST TEN YEARS...

Father Maloney, our founding principal, guided the school through the difficult formative years. Father McCloskey initiated the changes which led to co-education and the Middle States evaluation. Finally, Father Mortimer completed the work that led to a fully accredited co-educational institution.

From an artist's conception, through the early formative years, to the acquiring of the Middle States seal, Cardinal O'Hara High School has developed rapidly in its first ten years. The growth of O'Hara was made possible through the spirit of the student body, which has been inspired by school sports, clubs and the three publications. O'Hara embarks on its second decade with an impressive record of accomplishments behind it.

ADMINISTRATORS

Father Mortimer, in his second year at O'Hara, has enacted an extensive program to improve the school. He has been ably assisted in this endeavor by Sister Anna Josephine and Mr. James Purcell. The dramatic changes at O'Hara give evidence to the sincere dedication of the administrators. As a result of their commitment to academic improvement, "full accreditation for a period of ten years" was granted to the school by Middle States Evaluation.

Reverend Joseph L. Rider
1922-1972

After ordination in 1950, Father Rider taught at Southeast Catholic, now Bishop Newman, St. James and Cardinal O'Hara. Father was a member of our original faculty staff. The first chairman of the Mathematics Department, Father played an integral part in the development of O'Hara during its first years. His reputation as a thoroughly dedicated educator lives among those students and teachers with whom he made contact. This contact was a personal, interested relationship; a relationship that anyone respects as ideal. All who knew him rejoice in the knowledge that he has attained the ultimate peace of God.

"Dolly" visited O'Hara for a time this year. With her she brought all her extravagantly dressed friends. The stage crew made many of the scenes possible. They came alive when the townspeople entered the stage. 14th Street will never be the same again, and neither will O'Hara, since "Dolly" invaded its borders.

MEADOW

For companions,
only the wind to blow away cares
and only a blue sky to lift sorrow.

I found a meadow—
and then for hours, running and laughing
through a field emassed with daisies and
clover and earthy things

Harsh reality was three worlds away
while I ran to touch stars—
Too soon, it ended.
But reality is sometimes so cruel
that I again long for escape.
I roam and search for a meadow,
But it has gone.

The Hands of Time (Brian's Song)
If the hands of time were hands
that I could hold,
I'd keep them warm and in
my hands they'd not turn cold.
Hand in hand we'd choose the
moments that should last;
The lovely moments that should have
no future and no past.
the summer from the top of a swing
the comfort in the sound of a
lullaby.
The innocence of leaves in the spring.
But, most of all the moments
when love first touched me!
All the happy days would never
learn to fly, until the hands
of time would choose to wave
"goodbye."
